RESEARCH ANALYSTS

SPECIAL THANKS

- I would like to Thank my mentors for their contribution to this plan (**BEGUSHPH**) as their analysis is key factor in formulating strategies.
- These mentors are prominent personalities who have an edge in discovering hidden gems at penny levels. The idea is to understand where the value lies and how quickly you can get it. They believe in accumulating businesses run by powerful investor who aspire to create disproportionate growth.
- With their vast experience of more than 20 years in the Indian Capital markets as Investors and mentors. They are true and honest supporter of the ruling government and very closely follows governmental updates and regulatory policies that can create significant value to few selective businesses.
- With this government supporting exponential growth across the industries, triggers a huge potential upside in Indian Stock Markets.
- They bring certain investing hacks and true logic behind every idea that will be shared in our subscription. These ideas are hard to come by and they pave the way for Multi-bagger approach of Investing.
- ***Towards the end of the presentation, we will share few examples. Stay tuned!***

WHAT IS GATI?

An Investment cum Trading plan for a class of people who is willing to go an extra mile in generating quick Alpha

This plan entails taking high risk for high return

We look for businesses which are a direct beneficiary of Government policies

Understanding Silent and powerful Investors often provides an edge

Ability to spot growth stocks at Penny Levels

First hand research assists in discovering true and hidden information

Many stocks here are with low liquidity which makes it's a superb proposition for Powerful investors to accumalate.
